Voss Care Group was founded with a clear purpose: to raise the standard of homecare, supported living and community support across the UK. Our leadership brings **over 40 years of combined experience** across nursing, public health, CQC regulation, clinical advisory services, and healthcare quality improvement.

Our services are shaped and overseen by **Blessing Mati Gwindi**, a highly experienced healthcare and regulatory professional with more than 20 years' experience across nursing, safeguarding, public health, and clinical advisory roles. As a former Care Quality Commission (CQC) Primary Care Inspector, Blessing has inspected GP practices, private clinics, hospitals, and social care services, leading safeguarding enquiries, governance reviews, and risk-based inspections. This regulatory insight ensures that Voss Care Group is built on exceptional compliance standards and a culture of safe, high-quality care.

Working alongside her is **Garikayi Furamera**, an accomplished healthcare strategist with an extensive background in healthcare regulation, commissioning, service design, and NHS stakeholder engagement. His experience includes senior roles at the Care Quality Commission (CQC), the National Institute for Health and Care Excellence (NICE), and multiple NHS organisations.
